ABOUT ME

I am an enthusiastic Front-End Developer with 1.5 year of experience specializing in React.js, building dynamic and responsive web applications. Skilled in **JavaScript, Tailwind CSS, and Dart**, I combine strong coding abilities with a passion for **graphic design** to create visually appealing and user-friendly interfaces. A **fast learner** with experience across multiple projects, I am eager to grow professionally, take on new challenges, and contribute effectively to development teams.
